

TURN OFF SCREENS

Screens can be great for learning, recreation and communication, but too much screen time can be unhealthy. Try to find a balance between inactive time and active play.

+ get active!

HOW MUCH SCREEN TIME EVERYDAY?

0-2 years

NO screen time

Increase active play and limit sedentary activities to less than 1 hour at a time

2-5 years

Less than 1 HOUR per day

A reduction in screen time can improve sleep patterns and physical development

5-12 years

Less than 2 HOURS per day

Excluding homework time

WHAT IS A SCREEN?

TV/DVD/BLURAY

Computer

Game Console

Tablet/Portable Games

Phone

** Based on Australia's Physical Activity and Sedentary Behaviour Guidelines 2014

TIPS TO MANAGE SCREEN TIME

Remove screens from meal times & eat together as a family

Keep a balance & set daily screen time limits

Take toys or books instead of devices when going out

Make bedrooms screen-free zones

Make family time more active

Break up long periods of inactivity

Swap screen time for active play & encourage outdoor play

Adults - model good habits & reduce your own screen time

Play active video games together
